STAKEHOLDER IDENTIFICATION QUESTIONNAIRE

Project Title:		Date Prepared:	

Purpose: Use this questionnaire to surface every group or individual who may affect — or be affected by — the project. Answer broadly; the team will analyze and consolidate the list afterward.

1. Who authorized the project and approves its funding?	
2. Who will perform or manage the work day-to-day?	
3. Who will be positively impacted by the new website?	
4. Who could be negatively impacted or inconvenienced?	
5. Who supplies resources (people, money, materials, tools)?	
6. Who has technical or domain expertise the project needs?	
7. Who currently uses or relies on the existing website?	
8. Who could block or significantly accelerate the project?	
9. Who are the end users of the deliverable?	
10. Are there regulatory, compliance, or audit bodies involved?	
11. Are there external vendors, partners, or suppliers?	
12. Who will operate or support the deliverable after launch?	

13. Are there any silent or under-represented stakeholders to include?	
14. Who is interested in the project outcome but not directly involved?
