SOURCE SELECTION CRITERIA

Project Title:	Mary's Consulting – New Company Website	**Date Prepared:**	May 22, 2026

Procurement: Frontend Contractor SOW. Three candidates evaluated against weighted criteria. Each rating is 1–5; Score = Weight × Rating. Highest total wins.

Criterion	Weight	WebCraft Studios Rating	WebCraft Studios Score	BrightDigital Agency Rating	BrightDigital Agency Score	PixelPerfect Devs Rating	PixelPerfect Devs Score
Technical capability React/Next.js depth, accessibility experience	**30%**	**5**	**150**	**4**	**120**	**3**	**90**
Cost Quoted price for the SOW (lower is better)	**25%**	**4**	**100**	**5**	**125**	**3**	**75**
Schedule fit Availability and ability to meet 6-week build window	**15%**	**5**	**75**	**3**	**45**	**5**	**75**
Past performance References, prior similar engagements	**15%**	**5**	**75**	**4**	**60**	**3**	**45**
Cultural fit Communication style; alignment with firm working norms	**15%**	**4**	**60**	**4**	**60**	**3**	**45**
TOTAL	**100%**		**460**		**410**		**330**

Recommendation: WebCraft Studios is the recommended vendor with a total score of 460 (highest). Strong technical capability and schedule fit outweigh BrightDigital's cost advantage (score 410). WebCraft's accessibility-first approach is a strong fit for the project's WCAG 2.1 AA requirement.
